

Dear Farmington Woods Residents and Golf Members,

In keeping with our commitment to health and safety first, we have made a decision to close the Clubhouse restaurant through December 15 as more than one staff member was exposed to someone with COVID-19. Staff members will be allowed to return to work with a negative COVID-19 test result after the required quarantine period. It is anticipated the Clubhouse will re-open Wednesday, December 16.

Thank you for your understanding.

May you remain safe & healthy!

Kelley Brewster-Griffiths, CAM, CMCA, AMS, PCAM
